

## Year Group −1

## Term - Autumn 2

<u>English</u>— Read, Write, Inc. will be the focus of a literacy hour every morning; developing phonetic ability, reading and writing. We will also be ensuring writing is developed further through our Talk for writing lessons. This will include learning about spelling, punctuation and grammar and creative writing.

<u>Maths</u>—in Year 1, we will be using a scheme called White rose maths to teach the children. We will be learning about subtraction to 10, 2D/ 3D-shapes and pattern. We will also begin place value to 20.

Computing – the children will learn how to create an algorithm for how to make a jam sandwich. They will also be able to revise the algorithm when it is not correct.

**Geography**- The children will be learning about the local environment by identifying the difference between human and physical features.

Topic:

## **Healthy Me Harvest!**

<u>Music</u> - The children will develop their musical skills by creating rhythmic patterns and will explore timbre through the use of percussion instruments.

**Art** – not taught this term.

<u>Science</u>— the children will be learning about the body. We be able to learn and label the basic parts of the body. We will also learn and investigate the 5 senses of the body.

<u>DT</u>– the children will be learning all about healthy eating. As well this, they will be learning how to write a recipe and create their very own vegetable soup.

History – not taught this term.

<u>Indoor PE</u>— developing agility, balance and co-ordination.

<u>Outdoor PE</u>— Ball skills throwing, receiving and travelling with balls. <u>RE</u> - Christianity—We are learning to re-tell the Christian Christmas story where we will discuss what gifts were given to Jesus and how that relates to gifts we receive now.

<u>Jigsaw</u>— our topic is 'celebrating others'. We will learn how to celebrate others achievements and differences.

Curriculum Enrichment

RE— St Barnabas Church workshop.

**Topic Projects** 

Our topic is healthy me harvest. Please support your child with creating something. This may be a picture, a model or a piece of writing about healthy eating. Where possible, art and models to be no larger than a shoe box. It is up to your child what they create.

Project due date: Friday 8th December 2023
