A NOTE FROM MISS COLLARD

Hello Whiteknights Community!

It's Miss Collard here. I just wanted to let you all know I'm doing well. I've nearly completed all the rounds of chemotherapy and it's hopefully

doing what it needs to do. I have surgery and radiotherapy coming up then as soon as I'm recovered I'll be back to school. I miss you all and am so looking forward to returning as soon as I'm able. Thank you for all the kind words of support and well wishes. See you all soon.

SHADE SHELTER VOLUNTEERS NEEDED

In light of the warm weather forecast over the coming weeks, the WPCA have kindly offered to install a marquee on the sports field to provide additional shade for pupils.

The marquee will be erected on Monday 22 June at 9.00am, and we are looking for volunteers to help with the setup. If you are available and willing to lend a hand, we would be very grateful for your support.

Please contact the school office if you can help.

RECEPTION BEE FRIENDLY GARDEN

Reception children are working hard towards our school's sustainability. To do this, they are going to create a bee friendly garden.

You can help!

We are asking if each child can donate 1 bee friendly plant to make this exciting area for our local bees.

This is to support our Bee topic this half term. In the topic lesson we aim to teach about sustainability and

biodiversity. Together with the children we are also creating a wooden bee hotel.

Bee gardens are a simple and effective way to support the environment and promote sustainability. Creating a bee garden is a small step with a big impact. It's a way for

individuals and communities to protect pollinators, promote a balanced ecosystem, and contribute to a more sustainable future for everyone.

Thank you in advance.
